## ABOUT US

---

We are proud to announce the company that enjoys making challenging tasks possible is now in to the sourcing and Imports and Exports as well. We are a team of young, experienced, dynamic individuals who has not only just achieved new heights in their respective careers but also knows team dynamics, market insights, client management and sourcing knowledge.

We are importer & sourcing partner for many commodities like major Fast moving consumer goods (FMCG) products, Oil, Sugar, Food and beverages, etc.. Our costumers are registered clients/buyers who send us inquiries through defined channels and therefore, managing our customers are also an important part of our network.

**instagreen™**  
It's your cup of tea

**Product** – Instagreen Tea is a secret blend of Organic Green Tea leaves and Organic oils extracted from spices, herbs and fruits to bring unique relishing taste which is packed in our innovative Instagreen Tea Cups offering the greatest level of convenience and health benefits.

**Problem** – Most of the people who got accustomed to using tea bags, follow the dipping process for 4 to 5 times and throw the bag away thereby just drinking flavoured hot water by and throwing the actual green tea leaves.

**Solution** – Our Green Tea is sealed at the bottom of the cup which is separated by banana fibre extract which acts as a filter. Since green tea leaves sits at the bottom of the cup, every sip will be totally healthy and hassle free.
